### Instructions for Scrapie Tag Orders:

1. **New Order:** Never received Scrapie tags for your flock and do not have a flock ID.  
**Reorder:** Previously ordered Scrapie Tags in Tennessee.
2. **Flock ID:** Flock ID will be assigned on new tag orders.
3. **National Premise Identification:** Not necessary to obtain Scrapie tags, but a PremiseID is needed for ordering 840 RFID tags.  
Requests for Premise Identification:  
[https://www.tn.gov/content/dam/tn/agriculture/documents/animalhealth/AgBusTpissi\\_gnup.pdf](https://www.tn.gov/content/dam/tn/agriculture/documents/animalhealth/AgBusTpissi_gnup.pdf)
4. **Contact Information:** Please add Primary Contact if using as farm name and Email address if available (email is only used to send you information regarding scrapie and is NOT shared )
5. **Farm Address:** Location of animals.
6. **Shipping address:** Only needed if different than farm address (P.O. Box acceptable)
7. **Sheep/Goats:** check all that apply
8. **Breed Association:** check box only if animals are registered in your name. List registry prefix assigned to you.
9. **Number of Tags Requested:** USDA will distribute up to 100 free scrapie tags for first time orders or 2 years supply (whichever is less)  
If more than 100 scrapie tags are need, the tags can be ordered from a private vendor.
