**RE: Proposed EMDF Landfill**

Dear Mr. Mullis,

I am reaching out to you on behalf of the **Oak Ridge Reservation Communities Alliance (ORRCA)** Board. In our recent meeting which was held on June 24, 2019, we were informed that the Draft 1 Record of Decision (ROD) on the proposed EMDF Landfill is scheduled for August 2, 2019. A motion was made by the Board requesting that DOE host a public meeting in a question and answer session *prior* to the August 2, 2019 release date. The motion passed unanimously.

The ORRCA Board is aware that a number of questions have been asked but have not been answered. Therefore, we are requesting this meeting to address those questions. We are asking that representatives from TDEC and EPA attend this meeting as well so that everyone is on the same page and all questions can be addressed by all parties at that time.

I look forward to hearing from you and meeting with you soon.

Sincerely,

Ron B. Woody, Roane County Executive and ORRCA Chairman
