

NEW TAZEWELL PUBLIC MEETING ON ETHYLENE OXIDE

Thursday, August 3, 2023

10:00 am & 6:00 pm

Claiborne High School Cafeteria

[815 Davis Dr., New Tazewell, TN 37825]

(Virtual option: Microsoft Teams Meeting – See below to register)

TN Department of Health · Tennessee Cancer Registry

Community members are invited to learn about ethylene oxide (EtO) and its potential health effects. Agenda includes an overview of Tennessee Cancer Registry's cancer cluster analysis.

Q&A session and open house will follow to allow community members time to ask questions.
