

***NEW EMERGING TECHNOLOGIES
PERSONNEL LICENSURE GUIDELINES***

ANDROLOGY LABORATORY-

Director

1. Physician certified in Clinical Pathology by the American Board of Pathology or the American Osteopathic Board of Pathology
OR
2. Ph.D. applicant boarded by the American Board of Bioanalysis in the category of BCLD
OR
3. Ph.D. applicant boarded by the American Board of Bioanalysis in the category of HCLD in the subspecialty of Andrology
OR
4. Ph.D. applicant boarded in Chemistry by the American Board of Clinical Chemistry

Testing Personnel

1. Medical Technologist (General, Clinical Chemistry, or Hematology)
2. Medical Laboratory Technician
3. Special Analyst-Andrology

CYTOGENETICS LABORATORY-

Director

1. Physician certified in Clinical Pathology by the American Board of Pathology or the American Osteopathic Board of Pathology
OR
2. Ph.D. applicant boarded by the American Board of Bioanalysis in the category of BCLD
OR
3. Ph.D. applicant boarded by the American Board of Medical Genetics and Genomics in the category of Clinical Cytogenetics and Genomics

Testing Personnel

1. Medical Technologist (General)
2. Medical Laboratory Technician
3. Special Analyst-Cytogenetics

CYTOLOGY LABORATORY-

Director

1. Physician certified in Anatomical Pathology by the American Board of Pathology or the American Osteopathic Board of Pathology

Testing Personnel

1. Special Analyst-Cytotechnologist

MOLECULAR DIAGNOSTICS LABORATORY-

Director

1. Physician certified in Clinical Pathology by the American Board of Pathology or the American Osteopathic Board of Pathology
OR
2. Ph.D. applicant boarded by the American Board of Bioanalysis in the category of BCLD
OR
3. Ph.D. applicant boarded by the American Board of Bioanalysis in the category of HCLD in the subspecialty of Molecular Diagnostics
OR
4. Ph.D. applicant boarded by the American Board of Medical Genetics and Genomics in the category of Clinical Molecular Genetics and Genomics
OR
5. Ph.D. applicant boarded by the American Board of Medical Genetics and Genomics in the category of Clinical Biochemical Genetics
OR
6. Ph.D. applicant boarded by the American Board of Clinical Chemistry in Clinical Molecular Genetics

Testing Personnel

1. Medical Technologist (General or Clinical Chemistry)
2. Medical Laboratory Technician
3. Special Analyst-Molecular Diagnostics
- 4.

Note: State licensed medical doctors seeking laboratory directorship need to refer to the list titled, "Credentialing Agencies Presently Accepted by the Tennessee Medical Laboratory Board" for appropriate boarding.

Lab director applicants, that do not possess these credentials, can appear before the Medical Laboratory Board for a licensure determination.
