<b>CDHP STATE HEALTH SAVINGS ACCOUNT (HSA) CONTRIBUTION</b>

**For PPO Plans**, no single family member will be subject to a deductible or out-of-pocket maximum greater than the “employee only” amount. Once two or more family members (depending on premium level) have met the total deductible and/or out-of-pocket maximum, it will be met by all covered family members. **For CDHP Plan**, the deductible and out-of-pocket maximum amount can be met by one or more persons but must be met in full before it is considered satisfied.

[1] Subject to maximum allowable charge. The MAC is the most a plan will pay for a covered service. For non-emergent care from an out-of-network provider who charges more than the MAC, you will pay the copay or coinsurance PLUS the difference between MAC and actual charge, unless otherwise specified by state or federal law.

[2] The following behavioral health services are treated as “inpatient” for the purpose of determining member cost-sharing: residential treatment, partial hospitalization/day treatment programs and intensive outpatient therapy. In addition to services treated as “inpatient,” prior authorization is required for certain outpatient behavioral health services including, but not limited to, applied behavioral analysis, transcranial magnetic stimulation, psychological testing, and other behavioral health services as determined by the Contractor’s clinical staff.

[3] Additional information on the maintenance drug benefit and a list of participating Retail-90 pharmacies can be found at <https://www.tn.gov/partnersforhealth/health-options/pharmacy.html>.

[4] Prior authorization required for non-emergent services. When using out-of-network providers, benefits for non-emergent medically necessary services will be reduced by half if PA is required but not obtained, subject to the maximum allowable charge. If services are not medically necessary, no benefits will be provided.

[5] For PPO plans, the deductible DOES NOT apply to IN-NETWORK outpatient PT/ST/OT/ABA and other PPO services as noted.

[6] Enhanced benefit for select preferred Substance Use Treatment Facilities - PPO members won’t pay a deductible or coinsurance for facility-based substance use treatment; CDHP members must meet their deductible first, then coinsurance is waived. Copays for PPO and deductible/coinsurance for CDHP will apply for standard outpatient treatment services. Call 855-Here4TN for assistance.

[7] In-network benefits apply to certain out-of-network professional services at certain in-network facilities.
