2025 Benefits and Premiums

- On May 31, we included the 2025 benefits changes and aggregate premium increase percentages for 2025 by plan in the Friday Update Word document.
- **The 2025 aggregate premium increase applies to ALL plan options and tiers.**
- The additional cost added to the monthly premium for the BlueCross Network P and Cigna Open Access Plus networks will still apply in 2025, and those amounts will be the same as they are now in 2024.
- We hope to have the 2025 premium charts available by the end of this week.

ABC Survey

- Thank you to all the primary ABCs who recently completed the annual ABC survey.
- We had a total of 353 responses – a 67% increase in participation!
- We'll share survey results soon.
