ONLINE COURSES

Are you interested in taking one of our P.O.S.T. approved online courses? Please have your training point of contact email us at tbi.learn@tn.gov to set up a user account for your agency. We will need to know the number of people who need access and what the agency email domain is, if the agency has one (ex: @tn.gov). We will follow up with you once your agency profile has been activated.

This course provides an overview of DNA Collection and submissions, warrants, fingerprinting, criminal history, dispositions, expungements, diversions, orders of protection, and mental defective entries into NICS.
