# TennCare Kids Program

Promoting good  
health in children  
from birth until  
age 21.

We do not allow unfair treatment in TennCare. No one is treated in a different way because of race, color, birthplace, language, sex, age, religion or disability.

Division of TennCare, Authorization No. 318167,  
5000 copies, May 2023. This public document  
was promulgated at a cost of \$0.21 per copy.

**TN** Division of  
**TennCare**

# TennCare Kids

is a full program of checkups and health services for children who have TennCare. These services ensure babies, children, teens, and young adults receive the health care they need.

## How do I sign up for TennCare Kids?

- Visit [tenncareconnect.tn.gov](http://tenncareconnect.tn.gov)
- Call **855-259-0701**

## What does TennCare Kids provide?

- Free medical and dental checkups
- Free medical and dental services
- Free behavioral health services

Checkups and other services are done by doctors, who are Primary Care Providers (PCPs), dentists, and other health professionals.

## Need help making an appointment?

- For medical or behavioral health appointments, call your TennCare health plan. For dental appointments, call DentaQuest at **855-418-1622**.

## Need a ride to an appointment?

- Call your TennCare health plan.

## TennCare will cover services needed to find or treat medical or dental problems.

- To schedule a TennCare Kids visit, call your child's PCP. If you child does not have a PCP, call your health plan or local health department.
- For a healthy smile, take your child to the dentist every six months. If you don't have a dentist, call DentaQuest at **855-418-1622**.

## Check back for:

- A follow-up appointment (if needed)
- Your next scheduled visit
- Any new health problems
- Dental checkups every six months

## Did you know that your child's health plan has a nurse help line?

It's a free service that is available any time, day or night, for TennCare members. You can talk with a nurse if you have questions about:

- Your child's symptoms
- How to care for your sick child
- What to do if your child is hurt
- Determine if you should take your child to the doctor, an urgent care clinic, or the emergency room.

## To speak with a nurse, call the 24/7 nurse help line for your child's health plan:

- Wellpoint OnCall (24/7):
  - **866-868-2544** (English) or
  - **866-864-2525** (Spanish)
- BlueCare 24/7 Nurseline\*:
  - **800-262-2873**
- UnitedHealthcare Advocate4me (24/7)\*: **800-262-2873**

*\*Translation services available upon request.*
