Annual Episodes Design Feedback Session

RSVP for May 22, 2018

- Please RSVP for this event. You received the RSVP form electronically in the Payment Reform newsletter and the Provider Stakeholder Group email.
- The Annual Feedback Session provides the opportunity for the public to comment on what is working well with each episode's clinical design and where providers would suggest changes for next year.
- **27 episodes of care in performance** (Waves 1 - 6) will be open for public feedback.
- This event will take place simultaneously in **six locations** across the state linking clinicians, administrators, payers and other stakeholders by video-conference in **Nashville, Chattanooga, Knoxville, Johnson City, Jackson and Memphis**.

TN Tennessee State Government

2018 Annual Episodes Design Feedback Session: Feedback Form

Thank you for your interest in the Annual Episodes Design Feedback Session! The meetings will be held on May 22, 2018 at six locations across Tennessee, including Nashville, Memphis, Knoxville, Johnson City, Jackson and Chattanooga.

Prior to the meeting, please submit all feedback, comments and recommendations through the form below. This form will allow our team to better collect and analyze your feedback! We only ask that you be as specific as possible when submitting feedback.

We greatly appreciate your feedback and look forward to continuing to improve health care in Tennessee!

Name:

First Name Last Name

Title / Position (e.g. Physician, Office Manager):

2018 Legislative Update

Legislation that affects the Initiative:

HB 2001/SB 2155 –

- Providers can ask for reconsideration of episode risk sharing payments related to pain relief services

HB 1729/SB 2639 –

- Episode penalties now called “risk sharing payments”; study implementation of episodes of care

HB 1541/SB 2364 –

- Exclude anxiety and non-emergent depression episodes

THANK YOU!
