

Workforce Services Policy – One-Stop System Design Policy

Executive Summary

1. What is the general purpose of this policy?

The policy outlines how the State Workforce Development Board works in collaboration with the Tennessee Department of Labor and Workforce Development to oversee the American Job Centers across the state. The system of American Job Centers is also known as the ‘One-Stop Delivery System’. The policy addresses how Tennessee is divided regionally—according to the Three Grand Divisions of East, Middle, and West—and how each region contains three Local Workforce Development Areas (LWDAs). In total, there are nine (9) LWDAs within the One-Stop Delivery system.

2. What are the notable guidelines conveyed within this policy?

This policy differentiates between:

- Comprehensive, Affiliate, and Access Points within the American Job Center system;
- Formal and functional supervision of American Job Center staff;

This policy also defines:

- The Welcome Function, Individual Career Services, and Business Services;
- Roles and responsibilities of the State in oversight and monitoring of the American Job Center system.

3. Have there been any changes since the last policy? If so, describe the modification(s).

This policy has been changed to provide a clearer definition of the roles and responsibilities for the Regional Council, One-Stop Operator, and Team Leads. These roles and responsibilities are directly impacted by expanded criteria listed under ‘functional’ and ‘formal’ supervision.

The policy has been re-arranged for logical flow from establishment of the workforce system, to definitions of centers, to the services provided in each center, to the entities and individuals tasked with providing the services. Furthermore, the services defined under the section titled ‘Establishment of Functional Teams’ have been strengthened to better align with federal regulations.

4. What must the Local Workforce Development Board do to meet the requirements of this policy?

- Establish at least one (1) Comprehensive American Job Center in each LWDA;
- Provide assistance from at least one (1) WIOA Title I staff person who is physically present at the center during all operational hours;
- Provide direct links to One-Stop Partner staff who can provide program information or services to the customer;
- Provide:
 - Basic career services;
 - Access to training services;
 - Access to any employment and training activities under WIOA Section 134(d);
 - Access to workforce and labor market information; and
 - Access to phones, fax machines, or a computer in the resource room.
- Follow branding standards established in the American Job Center style guide;
- Maintain core business hours from 8:00a to 4:30p;
- Provide written notification ninety (90) days prior to the closure or relocation of an American Job Center.

5. How does this policy affect the workforce system?

This policy defines how services provided through the American Job Centers will be provided according to the type of center and the type of service. Overall, this policy is foundational to WIOA and WIOA partner service provision across the state.

Workforce Services Policy - One-Stop System Design

Effective Date: June 5, 2020

Duration: Automatic Annual Renewal

Purpose:

To provide Local Workforce Development Boards (LWDBs), One-Stop Operators (OSO), and other workforce system sub-recipients guidance concerning the continued development of a seamless, statewide One-Stop service delivery system design that is quality-focused, employer-driven, customer-centered, and tailored to meet the needs of regional economies. Finally, this policy addresses the functional alignment of staff and services to eliminate inefficient practices and prevent duplication of services.

Scope:

Office of the Governor, Tennessee Department of Labor and Workforce Development (TDLWD); Division of Workforce Services (WFS); Tennessee Department of Economic and Community Development (ECD); Tennessee Department of Education (TNED); Tennessee Department of Human Services (DHS); State Workforce Development Board (SWDB); Title I – Adult, Dislocated Worker, and Youth Programs, Title II – Adult Education and Family Literacy Act Program(AE); Title III – Wagner-Peyser Act Program (WP); Title IV – Vocational Rehabilitation Program (VR); Regional Planning Council (RPC); Local Workforce Development Boards (LWDB); Local Workforce Development Areas (LWDA); American Job Center (AJC); One-Stop Operator (OSO); Workforce System Sub-Recipients (Sub-Recipients); Workforce System Partners (Partners)

Background:

The vision for Tennessee's One-Stop service delivery system is to align a wide range of publicly and privately-funded education, employment, and training programs to provide high-quality workforce development services to job seekers, workers, and businesses¹. The Workforce Innovation and Opportunity Act (WIOA) recognizes the value of workforce development and provides resources to enhance the quality of its One-Stop Centers.

WIOA strengthens the ability of states, regions, and local areas to align investments—in categories such as workforce, education, and economic development—to target regionally in-demand jobs and individuals with barriers to employment. WIOA also reinforces the partnerships and strategies necessary for AJCs to provide job seekers—and those already employed—with the high-quality career development services, education and training, and supportive services they need to obtain jobs and remain employed.

The Governor of Tennessee has assigned the role of State Administrative Entity to the Workforce Services Division (WFS Division) of the Tennessee Department of Labor and Workforce Development (TDLWD). Additionally, the Governor appointed the State Workforce Development Board (SWDB)—according to WIOA Section 101—to oversee and guide the activities of the WFS Division. Together the TDLWD and SWDB guide the integrated, statewide One-Stop service delivery system known as the American Job Center (AJC) system.

The AJC system enhances the range and quality of workforce development services available to job seekers and businesses through a coordinated regional and local approach among partner agencies representing labor, education, and social support organizations. Furthermore, the AJC system provides high-quality education, employment, and training across both Tennessee and the United States.

I. Tennessee’s Workforce Development System:

Tennessee’s workforce development system is divided into nine (9) Local Workforce Development Areas (LWDAs): across three (3) regions:

East Region	Middle Region	West Region
Northeast LWDA	Northern Middle LWDA	Northwest LWDA
East LWDA	Southern Middle LWDA	Southwest LWDA
Southeast LWDA	Upper Cumberland LWDA	Greater Memphis LWDA

The LWDAs are represented by a consortium of county mayors, known as Local Elected Officials (LEOs), who select a Chief Local Elected Official (CLEO) to act as the signatory for the LWDA.

WIOA requires the establishment of a Local Workforce Development Board (LWDB)—which must be certified by the Governor—to guide workforce development initiatives within each of LWDA.

The LWDB must collaborate with the CLEO (and LEOs) to govern workforce development initiatives within the LWDA, such as:

- Development of the Local Plan²

¹ TEGL 04-15

² WIOA Section 107(d)(1)

- Selection of the One-Stop Operator and Career Service Provider³; and
- Oversight of accessibility for individuals with disabilities⁴.

II. Service Delivery within the American Job Center System:

The AJC system must include at least one (1) comprehensive center that is physically located within each LWDA. The LWDB may choose to establish additional comprehensive centers, affiliate sites, specialized centers, or access points within the LWDA.

III. Comprehensive American Job Centers⁵:

The comprehensive center must provide career services⁶ and ensure job seekers and employers have access to programs, services, and activities of all required One-Stop partners⁷.

A. Comprehensive Center Access:

A comprehensive center must be physically and programmatically accessible to individuals with disabilities⁸ and provide:

- Assistance from at least one (1) WIOA Title I staff person who is physically present at the center during all operational hours⁹.
- Assistance from at least one (1) partner program staff person who is physically present at the center during all operational hours¹⁰; and
- Direct links¹¹ to One-Stop Partner staff who can provide program information or services to the customer.

B. A Comprehensive Center Must Provide¹²:

- Basic career services¹³ (such as eligibility determination, initial assessment of skills, job search placement assistance, and labor market information);
- Access to training services¹⁴ (such as occupational skills training, on-the-job training, incumbent worker training, skills upgrading and retraining, and job readiness training);
- Access to any employment and training activities under WIOA Section 134(d); and
- Access to employment and training activities carried out by One-Stop Partners¹⁵
- Workforce and labor market information¹⁶; and
- Phone use for job seekers, fax machine use to transmit documents, or access to a computer in the resource room.

IV. American Job Center Affiliate Sites:

Affiliate sites are created to supplement and enhance customer access to AJC services in support of comprehensive centers. Unlike a comprehensive center, an affiliate site does not need to provide

access to every required One-Stop Partner program. An affiliate site must be physically and programmatically accessible to individuals with disabilities¹⁷ and provide access to at least one (1) WIOA Title I staff that is physically present during all office hours, to include lunch hours¹⁸.

The frequency of One-Stop Partner program staffs physical presence in an affiliate site will be determined through partner memorandum of understanding (MOU) negotiations conducted at the local level.

Stand-alone Wagner-Peyser centers are not permitted¹⁹. The partner program administering Local Veterans' Employment Representatives (LVERs), Disabled Veterans' Outreach Program Specialists (DVOP Specialists), or unemployment compensation programs would not count as the other partner for purposes of this requirement²⁰.

II. American Job Center Access Points:

Access points are created to supplement and enhance customer access to AJC services in support of comprehensive centers and affiliate sites. These sites make one (1) or more of the One-Stop partners' programs, services, and activities available to job seekers and employers. Libraries are recognized as important providers of Federally-supported training and employment for adult education and literacy.

III. Specialized Centers²¹:

Specialized centers address the specific needs of key industry sectors, or clusters. Based on specific needs within a LWDA, the LWDB—in conjunction with the partners and OSO—may determine that a specialized center is more appropriate to serve a particular population and may choose to operate a specialized center.

A specialized center may be established to serve a specific group of dislocated workers affected by a regional lay-off. In this example, the specialized center would provide a variety of services tailored to the needs of the dislocated workers, to include: career coaching, networking opportunities, comprehensive assessment, and employer meetings.

A Specialized American Job Center Must:

- Be physically and programmatically accessible to individuals with disabilities²²;
- Be established to serve a specific group (youth, veterans, key industry sectors, or other specified groups as determined by the LWDB);
- Provide a variety of services tailored to the needs of the specific group, including career coaching, networking opportunities, comprehensive assessment, and employer meetings; and
- Provide flexible office hours, such as evenings and weekends, set by the LWDB.

IV. Branding of American Job Centers:

¹⁷ 20 CFR 678.310(d)

¹⁸ 2 CFR 678.310(a)

¹⁹ 20 CFR 678.315(a)

²⁰ 20 CFR 678.315(b)

²¹ 20 CFR 678.320, 34 CFR 361.320, and 34 CFR 463.320

²² WIOA Section 188 and 29 CFR Part 38

Branding is a responsibility of the LWDB and LWDB staff, but the OSO is responsible for ensuring that branding reflects TDLWD standards. Furthermore, the OSO must report to the LWDB quarterly on any problems that they are experiencing with maintenance of branding standards. The AJCs' branding must be used to ensure recognition of the statewide seamless workforce system. Brochures, flyers, advertising media and announcements, stationery, business cards, and name tags used by the center staff must reflect the AJC. Signage outside and inside all comprehensive and affiliate centers must reflect the AJC branding.

More information can be found in the AJC Style Guide. Please note that all products must adhere to the AJC branding guide requirements. All products must be procured according to proper standards; publications intended for the general public must be approved by the LWDB.

V. American Job Center Business Hours:

AJCs are required to be open during statewide core hours at a minimum of 8:00 a.m. to 4:30 p.m. during weekdays. The LWDB may establish service hours at other times to accommodate schedules of individuals who work during regular business hours or who are not able to access the AJCs during regular business hours.

The TDLWD WFS Division encourages access to services outside of regular business hours (such as nights and weekends) when doing so is possible and best serves the needs of the AJC customers.

VI. American Job Center Holiday Closures:

Holiday closures must conform to TDLWD recognized holidays. AJCs must adhere to these holidays, regardless whether they are observed by other agencies involved in the operation of the AJC. The hours of operation for the AJC located within a community college must adhere to the TDLWD hours and holidays, rather than the hours set by the community college. LWDBs must advise entities bidding or contracting to serve as OSO and/or service provider that they must adhere to these scheduling guidelines.

VII. Entities that Oversee the American Job Center System:

A single entity cannot perform the functions of Fiscal Agent, LWDB staff, OSO, and Career Service Provider (CSP)²³. However, the LWDB staff may serve as the Fiscal Agent. More information regarding each entity's responsibilities within the AJC system are included below:

A. Local Workforce Development Board Staff:

In general, the LWDB staff serves a supportive role to ensure that all roles and responsibilities in WIOA Section 107(d) are fulfilled by the LWDB. The LWDB staff assists to competitively procure the OSO²⁴ and CSP.

The LWDB staff (or the LWDB itself), may not serve as the OSO and/or CSP (except for Youth Services²⁵). LWDB staff—under the direction and subject to the approval of the LWDB—must competitively procure the OSO and CSP. The LWDB enters into a MOU and IFA with the OSO. This agreement establishes shared success indicators, operating strategies and procedures, and customer flow to promote effective, seamless service delivery.

B. Fiscal Agent:

²³ WIOA Section 107(g)(1)(A)

²⁴ WIOA Section 121(d)(2)(A)

²⁵ 20 CFR 681.400

In general, a Fiscal Agent may be appointed by the CLEO to oversee expenditure of WIOA funds, document procurement of materials necessary to operate an AJC, and monitor fiscal operations within the AJCs as they relate to administrative expenses and service provision. An entity designated by the CLEO as Fiscal Agent may not serve as the OSO or CSP. This prohibition is in place to ensure fiscal integrity with monitoring, performance, and procurement requirements. However, a single entity may serve as fiscal agent and LWDB staff or separate entities may be used for each function. A LWDB may also opt to form as a 501(c)(3) and hire direct staff to carry out LWDB functions.

At a minimum the OSO must coordinate service delivery of required AJC partners²⁶. The following items are the other required duties of the OSO:

VIII. Supervision Under the Memorandum of Understanding:

In order to ensure seamless service delivery to workforce system customers, all individuals working in a comprehensive or affiliate will experience two (2) levels of supervision:

A. Formal Supervision:

The formal leader has responsibilities as the employer of record. A Partner Staff Manager is an example of formal supervision. The partner staff manager retains authority over all actions that may affect the current base pay, status, or tenure of classified State employees. The partner retains the sole discretion to determine which partner employees shall occupy partner positions throughout the State. The partner staff supervisor must:

- Approve vacations, sick leave, and personal leave, in conjunction with Team Lead and OSO
- Approve travel and travel expenses, in conjunction with Team Lead and OSO

B. Functional Supervision:

A functional leader may have the authority to organize and supervise staff, without regard to the program that funds an individual staff member and will focus on day-to-day supervision of service delivery efforts. The OSO is an example of functional supervision.

Each comprehensive AJC must have a group of Team Leads who operate under the direction of the OSO. Team Leads provide functional supervision and must be chosen from partner program staff operating within the AJC. Team Leads must collaborate as a group with the OSO to:

- Create staffing plans that provide adequate office coverage at all times, including in a manner that allows fair and equitable opportunity for time off;

Individual partner program staff will be supervised by their respective Partner Staff Manager and will have supervisory authority over staff providing partner services within the respective LWDA. Each comprehensive center shall have Team Leads, as approved by the Regional Planning Council.

IX. Establishment of Functional Teams:

The following functional teams are monitored and overseen primarily by the OSO, with assistance from the Team Leads. There must be a functional team for each comprehensive site in the LWDA, under the direction of the OSO.

The welcome function may be performed by an independent staff person paid for through the Infrastructure Funding Agreement (IFA).

Every job seeker must have access to basic career services through the welcome process. Services associated with the welcome function must include the following:

- Outreach, intake, and orientation to inform applicants and participants of all One-Stop services;
- Initial assessment of customer needs for available AJC services;
- Referral to WIOA partner programs for eligibility determination;
- Access to the resource room and information concerning other programs and services; and
- Labor market information about the LWDA.

The welcome function also includes the resource room, self-directed activities, and staff-assisted services with few staff members involved. Job seekers must be encouraged to register in Jobs4TN.

B. Skill Development Function:

All service provider(s) and partner staff in the Skill Development functional team will assess customer needs, determine eligibility, and provide applicable services (i.e. basic career services and individualized career services). Skill Development staff will case manage participants receiving services within the AJC system. At a minimum, the services under this function should include applicable program services and the following services²⁸:

- Negotiate statewide performance measures with the U.S. Department of Labor (USDOL)
- Negotiate local performance measures with LWDBs
- Prepare the Tennessee State Plan and submit it to the USDOL
- Review and approve Regional and Local Plans and ensure alignment with the State Plan
- Prepare an annual report on the workforce system
- Prepare and initiate contracts between the LWDBs and the TDLWD

- Monitor and evaluate the local workforce systems to ensure compliance with federal and state policies and directives

XI. Workforce System Communication Protocol:

To promote better coordination of the delivery of workforce services, all communication regarding workforce system policy, guidance, and information will flow from the TDLWD to the LWDBs, and RPCs. The RPCs must inform the OSO, AJC staff, and required partners. Communications regarding partner program policy, guidance, and information will be communicated from WFS Division program staff to appropriate AJC staff responsible for program administration. This procedure ensures the local administrative entity and the Regional Planning Councils are simultaneously copied.

XII. Relocation or Closure of an American Job Center:

Any plan for potential comprehensive or affiliate center closure or relocation requires LWDBs to immediately notify the TDLWD Commissioner by email (Workforce.Board@tn.gov). Notification must be provided ninety (90) days prior to the potential closure or relocation. Furthermore, any relocation or closure requires notification of all LEOs and state officials affected by the action. The LWDB and the Commissioner will work together to evaluate the potential AJC closure or relocation and seek alternative means to continue services in the affected area. The final decision to close or relocate a comprehensive or affiliate AJC will be a joint decision between the TDLWD Commissioner and the LWDB.
